24 - 25 August 2022,
Wednesday & Thursday
8:00am - 5:00pm
IntEC Kuching

IEM Members: RM900.00

Non-Members: RM1,000.00

About the Course

This talk is aimed to provide an overview and examine the principle, procedural and liability aspects of non-completion and liquidated damages in the local construction industry. Furthermore, it is intended that the participants/ practitioners will be able to better understand and adopt best practices and appreciate the contract administrator's duties and obligations under a construction contract pursuant to this topic.

SR. JASPAL SINGH

Senior Assistant Director
Contract & Quantity Surveying
JKR Malaysia

The principal topic and ambit of this course will be: -

- Introduction & Definition to Non-Completion & Liquidated Damages
- Factors & Prevailing Practice in Deciding Non-Completion and imposing Liquidated Damages
- Application & Certification Procedures in Non-Completion and Liquidated Damages
- The Malaysian legal position on Liquidated Damage and practice in the local construction industry
- Non-Completion and Liquidated Damages provisions and procedures in PWD 203 1/2010 and PAM 2006/ 2018 Standard Form of Contract
- Miscellaneous issues and a question and answer session on the topic
